TADWCC
COMMERCIAL CONTRACTORS

Your Strategic Partner in Commercial Refurbishment & Maintenance Across the UK & Europe

Authorised ProNett contractors

WHO WE ARE

T & D Worx Commercial Contractors deliver premium reactive maintenance, refurbishment, and specialist installation solutions across live commercial and leisure environments.

We work with leading operators, including David Lloyd Clubs, Brava Hospitality and Adventure Leisure, providing end-to-end project delivery while maintaining brand standards, operational continuity, and member safety.

Our multi-trade teams, combined with nationwide and European coverage, ensure every project is delivered on time, safely, and to the highest standards.

Key strengths:

- Nationwide & European coverage
- Multi-trade, turnkey capability
- Rapid mobilisation and project delivery
- Brand-compliant, high-specification results
- Safety-first delivery, fully CHAS accredited and SAFE contractor

Contact T & D Worx to request a quotation. Prices vary by project size, location, scope, travel, labour and materials. T&Cs apply.

COMPLETE REFURBISHMENTS

Before

After

End-to-End Facility Overhauls

T & D Worx manages complete refurbishments of leisure and commercial environments, acting as principal contractor. From initial survey to final handover, we integrate all trades to deliver seamless, high-specification results.

Our full refurbishment capability includes:

- Electrical, plumbing, and drainage works
- Tiling, wet areas, and specialist finishes
- Carpentry, bespoke joinery, and structural modifications
- Flooring, decoration, and finishing
- Air conditioning and ventilation systems
- Poolside and spa environment upgrades
- Full project management, programmes, and handovers

Why it matters:

We provide total accountability, reduce risk, and deliver facilities ready for full operation with minimal disruption.

Costing From:

For prices please contact info@tadworx.co.uk. Exact quotation based on survey, travel, and scope. T&Cs apply.

What our clients say

I highly recommend T&D Worx, my go to company in time of need, covering all areas of building maintenance and construction. High Quality work, with super quick response times. Recently, completed a major tiling refurb, completely transforming the space.

Jack Casey

ROOFING WORKS

Protecting Facilities, Preserving Uptime

Roofing is a critical part of any facility, protecting assets, members, and operational continuity. T & D Worx delivers comprehensive roofing solutions, from emergency repairs to full-scale refurbishment and replacement programmes.

Services include:

- Emergency leak detection and rapid repair
- Flat and pitched roof repairs
- Membrane and waterproofing systems
- Gutter cleaning, downpipe jetting and drainage solutions
- Roofline maintenance and structural reinforcement
- Storm damage rectification
- Planned roof refurbishment programmes

Why it matters:

Our proactive and reactive roofing services minimise downtime, prevent damage, and maintain a safe, secure environment.

Costing From:

Starting from £65 (Excl. VAT) per m² / project.

Dependent on roof type, size, and location. T&Cs apply.

What our clients say

Incredibly reliable & driven company. Always succeeding in delivering excellence with all aspects of what the company has to offer & more. You do not have to look far to recognise how much passion the workforce have for their craft. Will always recommend.

Lewis Pritchard

LANDSCAPING & EXTERNAL WORKS

Transforming Exterior Spaces, Hard and Soft

We deliver full landscaping and external works solutions, enhancing both aesthetics and functionality. Our team combines practical site improvements with premium visual impact.

Services include:

- Fencing, paving, and pathways
- Hard landscaping installations
- Soft landscaping, turfing, and planting
- Tarmac resurfacing and pothole repairs
- Car park white lining and marking
- General exterior refurbishment works

Why it matters:

Safe, functional, and visually appealing external spaces protect your investment, enhance brand perception, and improve member satisfaction.

Costing From:

For prices please contact info@tadworx.co.uk - for hard landscaping and tarmac, depending on site, travel, and scope. T&Cs apply.

RECEPTION REFURBISHMENTS

High-Impact Front-of-House Transformations

Receptions are the first point of contact for members. T & D Worx delivers complete reception refurbishments combining premium aesthetics, durability, and functional design.

Scope includes:

- Full strip-out and spatial reconfiguration
- Bespoke timber panelling and joinery
- Flooring and feature surface finishes
- Painting, decorating, and lighting integration
- Full turnkey project management and handover

Why it matters:

We enhance the member experience, reflect brand identity, and provide spaces that are durable, stylish, and fit for purpose.

Costing From:

For prices please contact info@tadworx.co.uk.

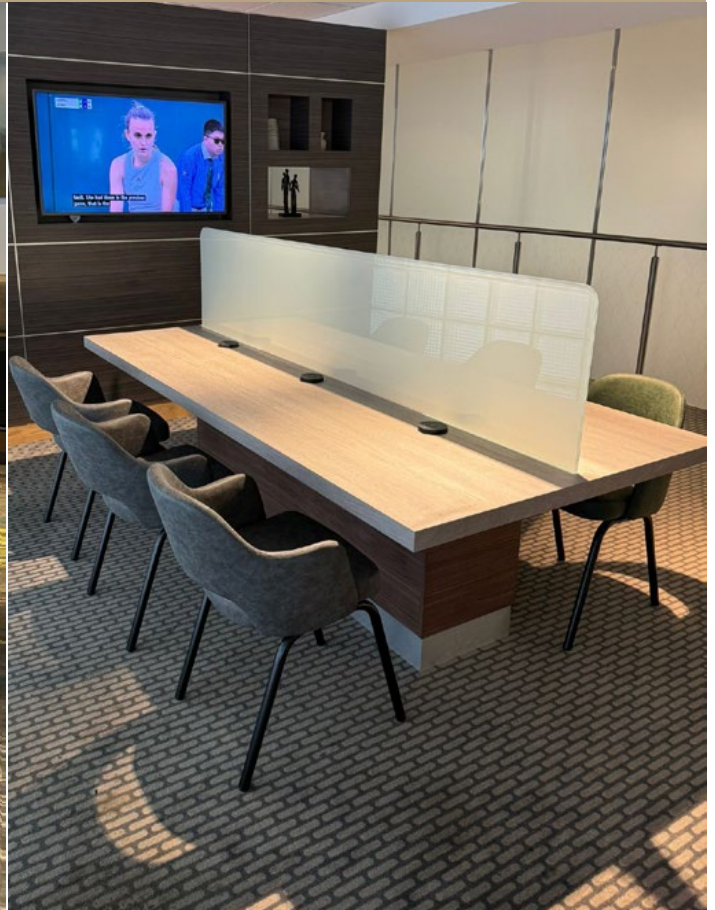

Scope and finishes affect final pricing. T&Cs apply.

RECEPTION REFURBISHMENTS

WORKSTATIONS

Functional, Brand-Aligned Lounge Workspaces

We design and install bespoke workstations in adult lounge areas, combining practicality, durability, and premium finishes.

Features include:

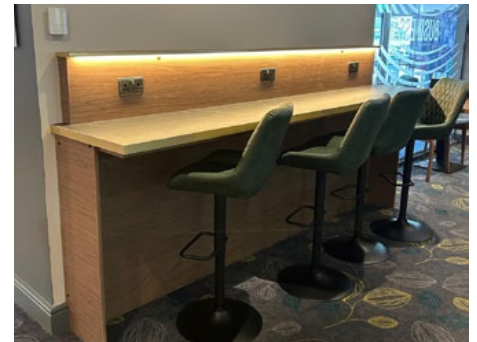

- Custom joinery and bespoke fabrication
- Integrated power and data access points
- Durable, high-specification finishes
- Seamless integration with existing layouts

Why it matters:

We create functional, member-friendly spaces that support productivity, comfort, and brand consistency in a growing hybrid working world.

Costing From:

For prices please contact info@tadworx.co.uk. Travel, site access, and bespoke requirements may affect cost. T&Cs apply.

What our clients say

All of the team at T&D Worx are so helpful and have an amazing work ethic. They always respond quickly with any questions I have. Would definitely use again. Thanks

Clare Briant

BESPOKE FEATURE SHOWERS

Precision-Engineered, Prefabricated Shower Solutions

Our in-house prefabricated showers deliver consistency, quality, and durability for wet areas in leisure facilities.

Scope includes:

- Hot/cold push-button controls with red/blue LED indicators
- Upgraded high-performance plastic wall boards
- Full pipework integration
- Strip-out of existing units
- Installation and commissioning

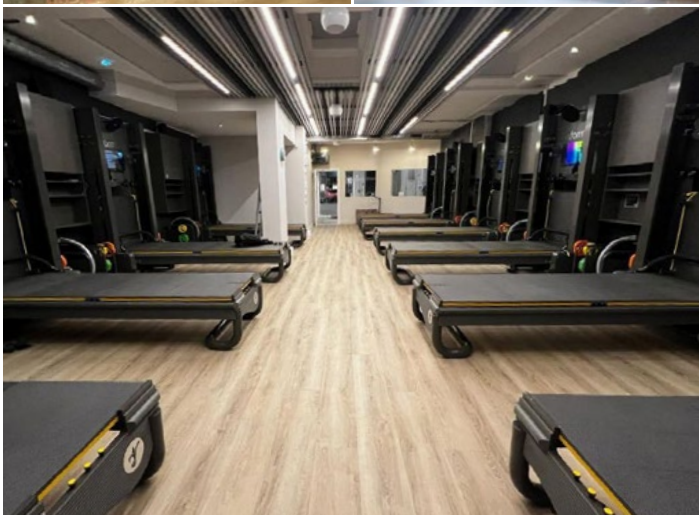

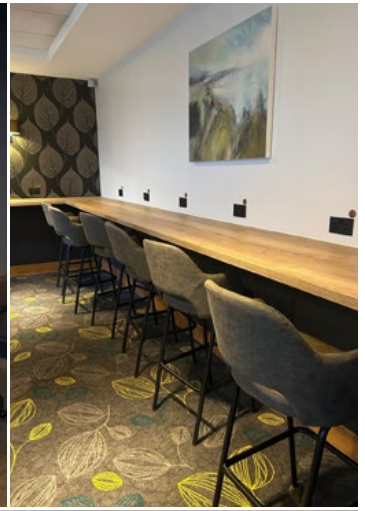

Why it matters:

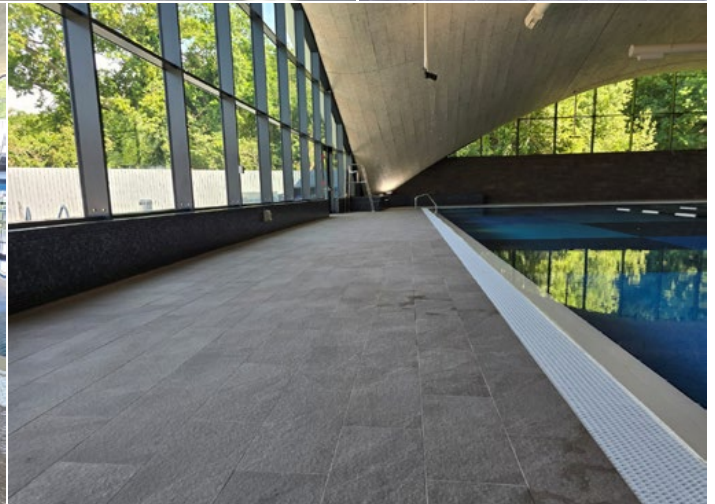

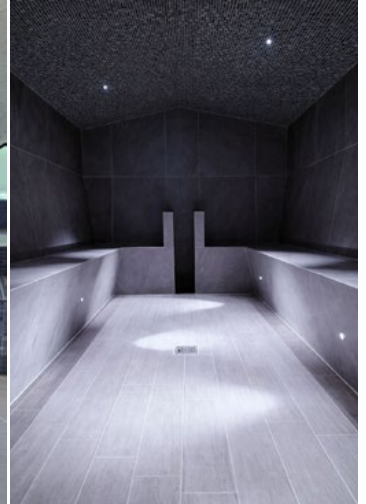

Prefabrication ensures faster installation, minimal disruption, and long-lasting, low-maintenance solutions.

Costing From:

For prices please contact info@tadworx.co.uk. Depending on site access, quantity, and location. T&Cs apply.

SAUNAS & STEAM ROOMS

Specialist Spa & Wellness Installations

We provide full sauna and steam room refurbishments and installations designed for durability, performance, and aesthetic appeal. All builds are prefabricated off-site with our specialist in-house team for a smooth installation and turnaround.

Scope includes:

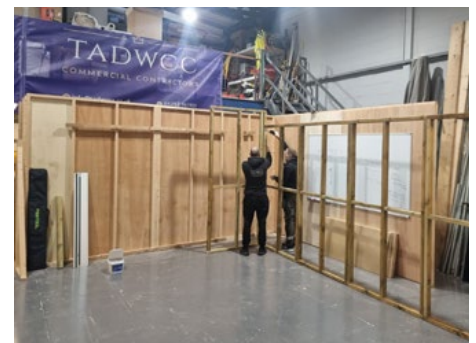

- Full strip-out and refurbishment
- Bespoke timber installations
- Steam room tiling, waterproofing, and ventilation
- Mechanical and electrical integration
- Mechanical and electrical integration

Why it matters:

Facilities perform at peak levels, look premium, and withstand high member traffic.

Costing From:

For prices please contact info@tadworx.co.uk. Depending on size, design, and location. T&Cs apply.

These are prefabricated at our on-site facilities.

SAUNAS & STEAM ROOMS

PLUNGE POOL COVERS

Safety, Efficiency, and Operational Control

We provide corrosion-resistant custom covers, made to measure, easy to handle covers with user safety and facility preservation in mind.

Custom plunge pool covers engineered for:

- Safety compliance
- Heat retention and energy efficiency
- Corrosion-resistant, long-lasting materials
- Smooth, reliable operation

Why it matters:

We deliver safety-critical, operationally efficient solutions that enhance pool environments and protect members.

Costing From:

Starting from £895 (Excl. VAT) per pool cover. Travel, size, and materials affect final pricing. T&Cs apply.

REACTIVE MAINTENANCE

Fast, Multi-Trade Problem-Solving

Our reactive maintenance teams provide rapid, multi-trade support to ensure operational continuity in high-traffic leisure environments.

Services includes:

- Joinery, flooring, and wet-area repairs
- Structural adjustments and minor building works
- Decoration and making-good
- Mechanical and minor electrical services

Why it matters:

Facilities remain safe, compliant, and operational – minimising disruption to members and staff.

Costing From:

Starting from £350 (Excl. VAT) per day. Travel, scope, and urgency may affect price. T&Cs apply.

Safe, Engaging Play Environments

T & D Worx delivers specialist play area and adventure ground installations for leisure facilities, family venues, and commercial environments. From removing outdated installations to building safe, engaging play spaces with slides, ramps and custom features, we create environments designed for durability, safety and enjoyment.

Scope includes:

- Removal and strip-out of existing play equipment
- Installation of slides, climbing structures, and adventure features
- Custom ramps, soft play elements, and bespoke installations
- Safety surfacing and protective flooring systems
- Structural framing and reinforcement works
- Bespoke carpentry and feature fabrication
- Compliance with safety standards and operational requirements
- Full turnkey project management and installation

Why it matters:

Well-designed play areas attract families, increase facility engagement, and provide safe environments where children can explore, develop, and stay active.

Costing From:

For prices please contact info@tadworx.co.uk.

Scope and finishes affect final pricing. T&Cs apply.

FOOD & BEVERAGE REFURBISHMENTS

High-Performance Food & Beverage Environments

T & D Worx delivers food and beverage refurbishment and installation solutions across leisure, hospitality, and commercial environments. From beverage counters and café service areas to full restaurant refurbishments, we create durable, high-performance spaces designed for efficiency and customer experience.

Scope includes:

- Full café and restaurant refurbishments
- Bespoke beverage counters and coffee station fabrication
- Commercial kitchen strip-out and installation
- Electrical, plumbing, and ventilation integration
- Flooring, tiling, and hygienic wall finishes
- Seating areas and front-of-house layouts
- Full turnkey project management and handover

Why it matters:

Well-designed food and beverage spaces increase customer dwell time, improve operational workflow, and enhance the overall member or guest experience.

Costing From:

For prices please contact info@tadworx.co.uk.

Scope and finishes affect final pricing. T&Cs apply.

EMERGENCY CALL-OUT

Rapid Response When It Matters Most

Our emergency call-out teams attend live sites across the UK and Europe, delivering swift, safe, and efficient resolution to urgent incidents.

Emergency coverage includes:

- Plumbing and electrical failures
- Roof leaks and storm damage
- Gutter clearing and drainage jetting
- Hazardous area isolation
- Poolside and wet-area emergency repairs

Why it matters:

Minimises downtime, protects members and staff, and maintains brand standards during emergencies.

Costing From:

Starting from £150 (Excl. VAT) per call-out, depending on location, trade, and urgency. T&Cs apply.

Your Strategic Partner in Commercial Refurbishment & Maintenance Across the UK & Europe

T & D Worx Commercial Contractors is CHAS accredited and a SAFE contractor, with high-level liability insurance.

We manage all projects with comprehensive prelims, RAMS, and health & safety planning, ensuring:

- Controlled, compliant sites
- Safe zones for members, staff, and contractors
- Safe operation in live environments with isolation where required
- Our full capability includes:
 - Nationwide & European coverage
 - Multi-site mobilisation and project management
 - In-house fabrication and prefabrication
 - Rapid emergency response
 - Full turnkey delivery and principal contractor accountability

Reliable - Responsive - Safe
Fully Compliant - Commercially Driven

Terms & Conditions

- Any changes to the specifications, drawings or area of work can make a change on the due date of the finished project.
- Any changes or additions to the scope of work must be agreed upon in writing and the contractor reserves the right to adjust the price and duration for such changes.
- The work is defined by the quotation, drawings, and specifications. If there are discrepancies, the quotation takes precedence.
- The contractor may charge for repairing or resolving defects not visible at the time of the initial estimate, such as hidden structural issues, unless a specific allowance was included.
- A 25% deposit is required to be paid in advance of an agreed quotation before works commence.
- Start and finish dates are estimates and are subject to change.
- T & D Worx CC Ltd is not liable for damage caused by existing defects in the structure/s being worked around or upon.
- T & D Worx CC Ltd reserves the right to take photos of the completed work for use on websites and in promotional materials.
- Depending on the project and access, other charges will apply if work cannot be done during the normal hours of a working day.
